INDUSTRY SUSTAINABILITY PROGRAMMES

Creating prosperity for the nation through sustainable industrialization

ABOUT KAM

Established in 1959, the Kenya Association of Manufacturers (KAM) is a representative of manufacturing and value-add industries in Kenya. The Association is front and center in driving fact-based policy advocacy toward the formation of industrial policies to strengthen and support the country's economic development. Through fact-based advocacy, KAM partners with Government and its associated agencies to ensure a dynamic and flourishing manufacturing sector in Kenya, to realize a double-digit contribution to GDP.

In this report, we highlight the significant steps we are making in our advocacy agenda featuring key engagements with stakeholders including but not limited to the National Government, County Governments, Regional trading blocs, and development partners, among others on a monthly basis.

Our
Vision

To be a world-class Business Member Organization (BMO) that effectively delivers services to its Members.

Our
Mission

To promote competitive and sustainable local manufacturing.

To transform KAM into a sustainable member-focused association delivering relevant, quality, timely and effective services to its members.

Create prosperity for the nation through industrialization.

OUR CORE
VALUES

- Effectiveness
- Good Governance
- Innovation
- Professionalism
- Responsiveness
- Teamwork

INTRODUCTION

MANUFACTURING ACADEMY

ENVIRONMENTAL SOCIAL GOVERNANCE

TVET PROGRAMME

Re-skill and Re-tool

Recognition of Prior Learning Skills Analysis (Certification of Skilled Workers without official Certification)

In line with KAM's commitment to enhancing global competitiveness within our membership, we are conducting a Recognition of Prior Learning (RPL) Needs Assessment

RPL identifies and certifies skills gained through informal or on-the-job learning, helping to address skills gaps and boost workforce productivity.

Enquiries: francis.veto@kam.co.ke

Apprenticeship/Technician/Graduate Programs Structuring

KAM TVET Program supports members in onboarding skilled workers through apprenticeship, as well as graduate trainee programs.

Contact francis.veto@kam.co.ke for more details.

Manufacturing Sector Skills Committee

KAM chairs the Manufacturing National Sector Skills Committee (NSSC) under the Ministry of Labour and Social Protection.

To this end, KAM is coordinating the establishment of the newly developed National Occupational Standards (NOS) to ensure training curriculum reflect current and emerging skills needs in the manufacturing sector.

Contact francis.veto@kam.co.ke for more details.
